

Maxability's next concert - April 27th 2024 at 7pm

Martino Tirimo joins us with this amazing programme:

BEETHOVEN Fantasy in G minor Op.77
BEETHOVEN Sonata No.32 in C minor Op.111

CHOPIN Nocturne in C sharp minor Op. posth.
CHOPIN Polonaise-Fantaisie in A flat Op.61
CHOPIN Waltz in C sharp minor Op.64 No.2
CHOPIN Waltz in A flat Op.42
CHOPIN Ballade No.1 in G minor Op.23

As Martino has been performing before Maxability audiences for so many years, his exceptional musicianship may already be well-known to you; but as tonight's programme includes works by both Beethoven and Chopin, here are a couple of relevant critiques.

After reprising all existing Beethoven recordings, this is what *The Spectator's* music critic, Damian Thompson (who will be with us tonight), had to say about Martino's 2022 recording of Beethoven's complete works for solo piano: *"But one new cycle sweeps all before itIt's decades since a pianist has managed to convey such an overwhelming sense that we're listening to pure Beethoven - surely Tirimo's 16-disc collection is the greatest recorded achievement of this anniversary year."*

And just a few months ago, in the Newsletter of the Chopin Society: *"Martino's recent Chopin recital proved him to be one of the finest pianists of our day. The performance showed a flawless technique and playing of great authority. Tirimo has, over a long career, performed virtually the entire piano repertoire. Such musicianship is very rare."*

You will not want to miss tonight's concert.
